HIKING

1. Genesee Valley Greenway State Park
GPS, Cuba: 42.216780, -78.283386
Multi use trail following the route of the former Genesee Valley Canal. This trail is a straight, level surface over cinders, gravel, & mowed grass; visitors to the Cuba segment of this trail can enjoy walking, running, skiing, or biking on this 1.5 mile path – a comfortable & family-friendly option.

2. Genesee Valley Greenway State Park
GPS, Caneadea: 42.379374, -78.153561
The Caneadea segment of the trail extends from Black Creek to Fillmore. For those traveling the trail in the Belfast area will find the Belfast Warehouse of historical significance – the only surviving canal building that was part of this canal.

3. Phillips Creek State Forest
GPS, Alfred Station & Almond: 42.252191, -77.862174
These 2,709 acres provides opportunities for many fun out door activities such as cross-country skiing, snowshoeing, hiking, biking, horseback riding, snowmobiling, camping, bird watching, nature photography, & hunting.

4. WAG Trail
GPS, Wellsville at Weidrick Rd: 42.100676, -77.939252
GPS, Wellsville near Hawkes Rd in Shongo/Willing parking and alternative access: 42.015761, -77.895316
This 9 mile, multi use, out and back recreational trail follows the former Wellsville, Addison, and Galeton (WAG) Railroad along the upper Genesee River. Flat and grassy, this pathway is great for runners, families, young and old hikers, and for those just looking for an easy stroll.

5. Island Park Walking Path
GPS, Wellsville near playground: 42.116626, -77.944794
A paved, stroller friendly walking path that loops around Island Park is just the right length for little legs; for a longer jaunt, cross the pedestrian bridge to Main St. shops & restaurants. Families will also enjoy a playground & picnic areas, as well as a safe fishing platform on the Genesee River.

6. Moss Lake Nature Sanctuary
GPS, Houghton: 42.401201, 78.185875
A designated national, natural landmark, this 15-acre bog lake was formed some 15,000 years ago by a retreating continental glacier. The trail that loops around is less than a mile in length that is safe for little hikers.

7. Houghton University Forest Trails
GPS, Houghton: 42.429376, 78.151242
Trail runners & cross-country skiers can access 4+ miles of trails from Houghton's picturesque campus.

8. Finger Lakes Trail
GPS, Fillmore: 42.458265, 78.249533
Canaseraga: 42.459770, -77.824705
Swain off Mill Rd. FLT map designates parking on the Rd itself: 42.476967, -77.853181
This trail system is a footpath, app. 580 miles, extending from the PA NY border in Allegany State Park to the summit of Slide Mountain in the Catskill Forest Preserve. Hikers in the Western New York Wilds enjoy access to this footpath from trailheads in Fillmore and in the Canaseraga/Swain area.
